Lauren:

It looks fine to me, please proceed and place in the Bristow paper. I received your call. Thanks for adding the Docket ID and the Mail code. I am confused who am I supposed to communicate with? I sent Kim a note this morning.

Thanks

Bill

Bill:

Attached is a revised Public Notice for Wilcox Oil. Based on the Federal Register notice on May 24th, I updated the Mail Code, date of public notice, and 60-day comment period dates. I also added the docket number.

I will phone you this morning to get your approval of the final notice so that it can be placed in the newspaper.

Thank you.
